## Finance Updates

- Staffing Workload
  - Reports must be submitted by October 25<sup>th</sup>
  - If you need an extension email Laura Yurco
  - Trainings:
    - You can request one on one
    - Do we need more group trainings?
- CCI-Send requests from January 1 hires to Kristen Beattie by November 1<sup>st</sup>
  - She will send additional information out on the listserv
- You should be receiving instructional budget allocation letters and the budgets for this fiscal year will be allocated in the next few weeks
- Student Actions or anything else Ed Payne would have handled should be sent to Kristen Beattie

## PeopleSoft Updates

- Implementation (go-live dates), possibly:
  - July 2014
  - October 2014 (safe-date)
- Scott Jackson is the new head of the PeopleSoft Reporting, there will be several types of reporting:
  - On-demand (live)-real time
  - Data warehouse (1 day delay)
  - Historical Data
- You will have one place to pull reports from many sources
- There are upcoming changes to the chartfield string-additional information will be provided later
- Check [ccinfo.unc.edu](http://ccinfo.unc.edu) regularly for updates to the PeopleSoft project
