

ARTS & SCIENCES TRAVEL FUNDS

Purposes and Amounts

The Arts and Sciences Travel Fund is supported by assistance from The Arts and Sciences Foundation, the Dean's Discretionary Fund, and other sources to enable faculty to attend meetings of learned and scientific societies. The annual travel awards are listed below:

- \$1,000 for tenure track assistant professors, untenured associate professors, tenured associate and full professors, instructors with special provision and senior lecturers.
- \$2,000 for department and curriculum chairs for travel. In this case, the purpose of the travel may also be to conduct departmental business, such as the recruitment of faculty or placement of graduate students.
- \$750 for permanent full-time fixed-term teaching faculty who have been in the College for at least one year. This generally applies only to lecturers but may include full-time paid adjunct teaching faculty.

Travel receipts must be submitted within 30 days of the return travel date. If the receipts are submitted after 30 days, an explanation as to why they are submitted late is required by the University's Travel Office. To comply with University policies and allow adequate time for processing through University offices, we must adhere to this thirty-day time frame.

If the faculty member returns before the first Friday in June, they must use the current fiscal year funds. If they return after the first Friday in June, they may use the following fiscal year funds if necessary and if they are available.

Eligibility Limitations

Since funds are limited, the travel grants are meant to be a support system available in lieu of other funds. The following exceptions therefor apply:

- Distinguished named professors are not eligible, as they may use their research stipend for travel purposes. (Note: Chairs who are distinguished professors are still eligible for the chair travel allocation.)
- Faculty who receive \$100,000 or more in grants for the year are *not* eligible to receive Arts & Sciences travel funds.
- Visiting and part-time faculty, full-time fixed term faculty in rank less than one year, research and clinical faculty, faculty in phased retirement, and EHRA non-faculty are *not* eligible.
