Purposes and Amounts

The Arts and Sciences Travel Fund is supported by assistance from The Arts and Sciences Foundation, the Dean’s Discretionary Fund, and other sources to enable faculty to attend meetings of learned and scientific societies. The annual travel awards are listed below:

- $1,500 for tenure track assistant professors, untenured associate professors, tenured associate and full professors, distinguished professors, instructors with special provision and senior lecturers.
- $2,500 for department and curriculum chairs for travel. In this case, the purpose of the travel may also be to conduct departmental business, such as the recruitment of faculty or placement of graduate students.
- $1,000 for permanent full-time fixed-term teaching faculty who have been in the College for at least one year. This generally applies only to lecturers but may include full-time paid adjunct teaching faculty.

To comply with University policies, travel expenses should be reconciled within 30 days of the return travel date. Failure to reconcile transactions in a timely manner as outlined in Policy 1506 is a Travel & Expense Card Infraction.

Arts and Sciences Travel funds do not carryover between fiscal years. All transactions will be expensed from the fiscal year allocation for which they post. Please reference fiscal year end deadlines for travel, which typically fall around mid-June.

Eligibility Limitations

Since funds are limited, the travel grants are meant to be a support system available in lieu of other funds. The following exceptions therefore apply:

- Faculty who are on leave without pay are not eligible to receive Arts & Sciences travel funds.
- Visiting and part-time faculty, full-time fixed term faculty in rank less than one year, research and clinical faculty, faculty in phased retirement, and EHRA non-faculty are not eligible.
